

Catapult

To make this simple catapult you will need

- 1) Nine Large lollipop sticks
- 2) Lots of rubber bands
- 3) A plastic spoon

Step 1: Stack 7 of the lollipop sticks together and secure them with a rubber band on each end

Step 2: Place one lollipop under the stack in the centre

Step 3: Place another lollipop stick on the top of the stack

Step 4: Add a rubber band on the front of the lollipop sticks on the top and bottom of the stack

Step 5: Add another rubber band on the back half of the lollipop sticks on the top and bottom of the stack

Step 6: Using elastic bands secure a spoon to the arm of the catapult. Your catapult is ready to use
