

## Savoury recipe

### Ingredients (per bird)

One slice of bread or one round rice cake  
One slice of salami  
One piece of yellow pepper or cheese or carrot  
One slice of hardboiled egg  
A black olive  
Knife for cutting

### Instructions

Young children might need the shapes cut out for them beforehand  
Cut a triangular shaped wedge out of the salami and place onto the bread. The smaller piece of salami can be cut into tail feathers  
Cut a triangular beak from the carrot/cheese/pepper  
Cut oval eyes from the slices of the white of the hardboiled egg.  
Pupils and eyebrows can be cut from olives.
